

Vinton County

The Chillicothe VAMC is proud to announce a new program aimed at providing increased access to care for our Veterans living in Vinton County. This new service is called the Veterans Transportation Service or VTS and is designed to help Veterans gain better access to their appointments with the Chillicothe VA.

The service is free to any Veteran that is enrolled for care at the VA. The VTS program will be coming in to McArthur on Mondays and service will initially be provided using a 7 passenger van. Future plans include a shuttle van with seating for 8 passengers and 2 wheelchairs. The pick-up location for Vinton County will be the Senior Citizens Center located at 31935 State Route 93 in McArthur.

A Park-N- Ride location has been set up at the Senior Citizens Center for those Veterans who may want to park their vehicle and use the VTS service for the remainder of their trip. Veterans who need assistance getting to the Senior Citizens Center may contact them at 740-596-4706. Route information and reservation procedures can be obtained from the Senior Citizens Center or the Veterans Service Office located inside the Vinton County Courthouse 100 East Main St., McArthur, Ohio.

Reservations for rides with the VTS service are on a first come-first served basis. You may contact the VTS office at 1-800-358-8262 extension 5596 or 1-740-773-1141 extension 5596. Advanced notice of at least 48 hours is required for reservations.

We will be providing service to McArthur, Ohio **on Mondays only for appointment times scheduled between 8am and 12:15pm.**
